COINADVICE-BANGALORE-INDIA

CoinAdvice presents an exclusive, one-day networking event in Bangalore, India to showcase the influence of transformative technologies and how ICO's will reshape the landscape of finance and investment. Just about 0.7 percent of the people in India are into virtual assets and blockchain technology. By conclusion, if such few people in India know about this booming market, it's crucial to bring forth that only about 0.7 percent of India's population is familiar with the upcoming global transition.
